Support

Since 1991, Milano per la Scala has been bringing together opera, concert and ballet enthusiasts who wish to support La Scala and experience the magic of the stage up close.

The Foundation wants to value every membership, recognising its importance regardless of the amount of the contribution.

We propose 3 different levels: **Amico**, **Appassionato ed Entusiasta** – each of which allows you to approach La Scala in a gradual and personalised way.

Each membership offers a different level of involvement, guaranteeing access to rehearsals, lectures and a dedicated ticketing service, allowing you to experience La Scala from a privileged perspective and actively support its mission.

Duo Membership

This new possibility is designed to encourage sharing and grow our community of Supporters: it will be possible to register as a couple, benefiting from a discount on the total fee.

The double membership can also be chosen by those who wish to bring a different guest each time: in this case, only the person who subscribes the membership fee will be officially registered among our Supporters.

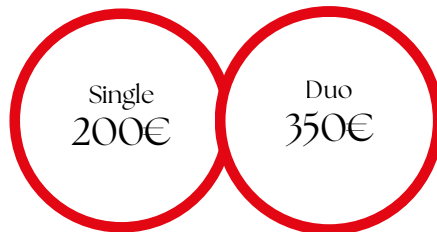

SUPPORTER *Amico*

This option is the ideal introduction for those who desire to begin their journey alongside La Scala.

Amico membership allows you to attend some selected rehearsals, essential moments in the staging of each production, and to participate in lectures and guided tours.

A first step in supporting the Theatre's activities and discovering and appreciating its complexity and excellence

Appassionato

Appassionato membership is conceived for those who desire to be more involved and participate more regularly throughout the Season.

Members of this level have access to a wider range of rehearsals and all the lectures are included in their membership. A further distinctive benefit is the ticket service for a selection of titles in the Season, which facilitates participation in a wide range of performances.

This membership shows a stronger commitment to supporting art and culture.

Entusiasta

This membership is dedicated to those who want to enjoy a complete Theatre experience.

The ticket service, which covers all performances in the season, guarantees the opportunity to follow the entire programme.

In addition, there is access to all rehearsals, lectures and invitations to some dress rehearsals.

It is the perfect choice for those who wish to support La Scala at a higher level and enjoy privileged access.

BENEFIT

Rehearsals

All Supporters have the opportunity to attend the theatre's rehearsals: a special and interesting moment to understand how the work done on stage by the director and that done with the orchestra and singers by the musical director come together to bring the show to life.

Dress rehearsals

Attending a dress rehearsal means having the opportunity to witness the staging of a real performance: the entire show will be performed without interruptions, with the artists in costume, make-up and wigs.

Entusiasta supporters may request **two invitations** for one of the opera or ballet performances of the season (excluding the opening title).

Tickets

Appassionato and *Entusiasta* members have the opportunity to purchase pre-emption tickets in the **stalls and gallery**, with a **10% discount**, for all opera, ballet, and concert performances of La Scala season. Ticket availability is published on the Foundation's **website** and shared in a **newsletter** sent out approximately two months before the date of the performance.

Lectures

All Supporters have the opportunity to be prepared for the performances by participating in lectures that the Foundation offers on some of the opera and ballet titles of the Season.

Events, cultural trips

Every year, the Foundation offers a rich calendar of guided tours, day trips and cultural weekends in which all Supporters can participate upon payment of the required participation fee.

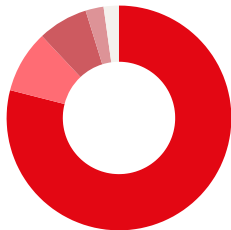

SUPPORT

Thanks to the support of individuals and companies, Milano per la Scala has provided, since 1991, **€26.5 million** to La Scala, of which:

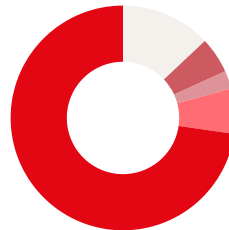

- €16.2 million has gone towards supporting La Scala productions
- €7 million has gone towards supporting education
- €3,3 million has gone towards other initiatives and special projects

2026 SUPPORT

Productions

Every year, the Foundation finances new opera and ballet productions, children's performances, and symphonic concerts, as well as recitals selected from the Season's program.

Contributing with your financial support means ensuring the future of La Scala and its pursuit of artistic excellence.

Ansaldo laboratories

Each season, around half of the opera and ballet productions are new works, for which the theatre crafts the sets, costumes and staging by hand.

Supporting the Laboratories means investing in the creative vitality of the theatre and supporting the training of new generations of highly specialised artisans, guardians of a knowledge that is rooted in the great Italian tradition and renewed through each passing generation.

Accessibility

Since 2022, the Theatre has been actively committed to adopting and developing solutions that can accommodate audiences with hearing and visual disabilities.

Financial support for this project ensures that the tools adopted are constantly updated and improved, so that the theatre experience is fully accessible to all, without barriers.

DAM

(Digital Asset Management)

The digitalization process of La Scala's artistic heritage includes photographs, posters, costumes, accessories, sketches, figurines, and the sound archive.

Supporting this project means giving impulse to the digitalization activities of all the elements that are part of the historical heritage of the Theatre and guaranteeing their consultation, preservation, and sharing.
